

# IMPORTANT ANNOUNCEMENT

Due to matters raised unexpectedly at the Club AGM (Annual General Meeting) on Saturday 8th November at Newark, the AGM was unavoidably adjourned so that these matters could be properly addressed.

Unfortunately this meant that the remaining agenda, including amending our constitution and Any Other Business, could not be completed at the AGM.

Therefore we are organising an EGM (Extra-Ordinary General Meeting) to complete the unfinished business from the AGM plus Any Other Business from members.

All fully paid-up members are invited to attend this EGM to be held on Sunday 20th January 2019 in Warwickshire. The full address is:

Rugby Railway Club  
Hillmorton Road  
Rugby  
Warwickshire  
CV22 5AL  
1.30pm for a prompt start at 2.00pm

This central position will hopefully help as many members as possible attend this meeting and we urge everyone who can make it to do so

Thank you
